

MAJOR FINDINGS: PROPERTY & SECURITY OFFERINGS

Designing properties that are equally functional, secure and esthetically pleasing remains a top priority in the lodging industry.

Security cameras, free parking and up-to-date fixtures are present in the majority of hotels to ensure safety, comfort and accessibility for both guests and employees.

91%

FEMA APPROVED

Most properties (91%) are approved by the Federal Emergency Management Agency (FEMA).

29%

DESIGN UPGRADE

29% of hotels have completed major furniture, fixtures and equipment renovations in the past 12 months.

86%

LOBBY SECURITY

The percentage of properties with security cameras in the lobby has reached an all-time high at 86%.

85%

FREE PARKING

85% of hotels offer free parking to their guests.

55%

ENTERTAINMENT

More than half (55%) of luxury hotels offer live music, entertainment and/or night clubs as an amenity.
