**Morning Consult Survey Methodology:** A new national survey conducted by Morning Consult commissioned by the American Hotel and Lodging Association (AHLA) asked U.S. adults about their travel plans amid rising COVID-19 cases. This poll was conducted between August 11-12, 2021, among a sample of 2200 Adults. Of these, 414 people, or 18 percent of respondents, are business travelers—that is, those who either work in a job that typically includes work-related travel or who expect to travel for business at least once between now and the end of the year.
