

Are You Concerned about OSHA and HIPPA Compliance or Data Privacy?

has you covered!

Clear2 is a comprehensive health screening, vaccine and testing management solution created by HB NEXT and managed by Peerless Performance.

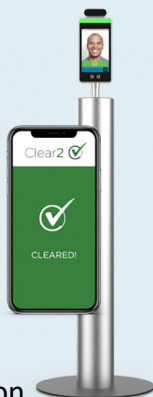

With over 20 years of experience in workplace consulting, safety, training, and compliance.

How We Help?

Work with the experts to align with new and changing OSHA regulations and provide an effective prevention, remediation, and documentation process around the rapidly evolving challenges of how to protect people and mitigate risk.

We're Here for you!
