

LIVE SAFETY EMERGENCY WILDFIRES

Hospitality Checklist

1. PREPARE

- ☐ Clear defensible space (CAL FIRE); document before/after photos (App) or follow property manual protocol.
- ☐ Ember-resistant vents, evacuation routes; assist list in app/print.
- ☐ Setup clean-air HEPA rooms, stock masks, hygiene, snacks.
- ☐ Play Wildfire Prep Audio Guide (App); review vendor list (App).

2. RESPOND

- ☐ Evacuate as ordered, confirm accountability in app or follow manual protocols.
- ☐ In shelter: seal doors/windows, HEPA filtration, masks.
- ☐ Broadcast Wildfire Response Audio Guide (PA/App); check accessibility.

3. RECOVER

- ☐ Inspect/replace HVAC filters with PPE; clean ash—log with photos in app or manual methods.
- ☐ Document, coordinate restoration; review and improve response log.
