## Hospitality Industry Vaccine Booth Program

Bureau Veritas Turnkey Solution

*Helping Hoteliers Return to Business*

- Provide installation of temporary vaccine administration booth
- Work with design team to design booth specific to brand requirements
- Conduct procurement event to source booths
- Coordinate with onsite management to schedule installation
- No mechanical systems required
- Document installation and complete any project reporting to brand / Ownership group
- Provide logistics support for market approach to deployment
- One-day installation
- Cost-effective Solution

Can your onsite refrigeration be used as staging?

Partnership with local healthcare providers.

Leverage assets to grow vaccinated population.

*According to Dr. Fauci, when 85% - 90% of our residents are vaccinated, we can likely resume our "pre-pandemic" lives.*

*Return to Business!*
