

## Are You Prepared to Protect Your Property During the Hurricane Season?

Hello ALHA Members,

The P3 Risk Management Team, a division of Petra Risk Solutions, and AHHA's education partner, wants to provide you with some helpful tips to assist you in preparing your property during the Hurricane Season. Below are some useful resources to help you get your property ready before, during, and after a hurricane.

- Evacuation Order Waiver Letter to Guest – SAMPLE ([click here](#))

We recommend that you have the contact details of a dependable, reputable emergency restoration company, readily available, in case you need urgent assistance. Please consult with your corporate guidelines to see if they have already identified a designated company for you to contact in case of such an emergency.

We would like to suggest a few reputable national companies with which we have had positive experiences. However, please note that these referrals may not be available in all states. The names and contact numbers of the national companies are listed below, in no specific order.

ATI ----- 888-571-4310  
BluSky ----- 800-266-5677  
Belfor ----- 800-856-3333  
RMC ----- 800-400-5058

Your attention to being well prepared ahead of potential emergency will help mitigate any resulting challenges at the time of loss.
