Promote good hand hygiene in your restrooms with a friendly reminder on a Cintas "Wash Your Hands" mat. These mats provide a helpful message to encourage restroom users to wash their hands before exiting, whether it's an employee restroom or public. \* Regular handwashing is one of the best ways to remove germs, avoid getting sick, and prevent the spread of germs to others. Additionally, these mats help protect your floor surfaces and capture excess water to reduce puddles or splashes that may occur. Mats are on vinyl backing and recommended for smooth surfaces. Ships 7-10 days from the time of order confirmation.
