

THE ECOLAB SCIENCE CERTIFIED™ PROGRAM

Advancing Cleaner, Safer Practices™

What is Ecolab Science Certified?

A comprehensive, science-based public health and food safety program that helps ensure the right products, programs, procedures and training are in place through an Ecolab independent verification process and partnership. Together, we can help you meet guest and employee expectations and advance cleaner, safer practices at your business.

How will Ecolab Science Certified help my business?

Research shows **people feel more comfortable traveling and dining out again when hotels and restaurants utilize cleaning protocols with hospital disinfectants and independent audits***. The Ecolab Science Certified program can help you meet consumer expectations with comprehensive cleaning solutions including hospital disinfectants, our Ecolab Science Certified verification process performed by EcoSure® and our decades of experience providing cleaning guidance to hotels and restaurants, as well as hospitals and healthcare facilities. Grounded in these capabilities and partnership, the Ecolab Science Certified program provides **a unique opportunity for us to work together to help elevate consumer confidence**.

We Are Here to Partner with You

- ✓ to support the industry through recovery
- ✓ to help protect your brand reputation by advancing a higher level of cleanliness through science-backed products and protocols
- ✓ to reinforce the confidence of your valued employees and guests

Helping people live more confidently in the places they work, eat, play, stay and shop.

A comprehensive program to help reassure your guests that you have their health and safety in mind.

The Ecolab Science Certified Program helps you communicate to your guests that you have elevated hygiene standards in place, delivered through the correct products, programs and procedures. The program helps establish this consumer confidence in four ways.

Create Clean

through the right science-based programs, hospital disinfectants and procedures informed by CDC and FDA guidelines

Check Clean

through a periodic verification process to support compliance

See Clean

through on-site and digital collateral featuring the Ecolab Science Certified seal

Believe Clean

through a consumer awareness and education media campaign
